A LETTER FROM OUR CEO

Our team at Wichita Falls Federal Credit Union would like to wish all our members a very happy New Year!

While we celebrate the new year, take note that WFFCU is celebrating its 75th anniversary in 2024! We have been serving you since 1949! While the world has changed dramatically in the last 75 years, WFFCU continues to adapt and grow with you to support your financial well-being. As our member, you will always be our top priority, and we look forward to serving your financial needs in 2024 and beyond.

IS YOUR ACCOUNT AND BENEFICIARY INFORMATION UP TO DATE?

It is a new year, and we would like to remind you to review and update the information on your account with the credit union, such as:

- *Address*
- *Logins*
- *Joint Owners*
- *Phone Numbers*
- *Email Address*
- *Beneficiaries*

Taking the time to review and update your information may seem like a hassle, but making sure your financial records match up will save you stress in the long run. It ensures that you receive important correspondence and protects you and your family, helping ensure smooth sailing for you and your loved ones.

CRAFTING A BUDGET-FRIENDLY VALENTINE'S DAY

As Valentine's Day approaches, remember that you can celebrate love without breaking the bank. Here are some ideas for a wallet-friendly Valentine's Day:

1. **Home-Cooked Meals:** Instead of dining out at an expensive restaurant, consider cooking a romantic meal together at home.
2. **DIY Gifts:** Whether it's a heartfelt letter, a personalized playlist, or a scrapbook of shared memories, DIY gestures carry sentimental value.
3. **Scenic Strolls and Nature's Beauty:** Take advantage of the beauty around you with a scenic stroll in a local park.
4. **Movie Night In:** Skip the pricey movie tickets, prepare some popcorn, and enjoy a cozy movie night at home.
5. **Budget-Friendly Bouquets:** Opt for in-season flowers or create a bouquet of wildflowers gathered during a nature walk.
6. **Explore Local Events:** Check out local events or free community activities like art exhibits or live music.
7. **Plan Together:** Communication is key - communicate with your partner about your budget so you can ensure you're both on the same page.
