A MESSAGE FROM OUR CEO

Happy New Year! If you are anything like me, you are currently focusing on your New Year's resolutions and personal goals for the upcoming year. I always spend the first few weeks of January reflecting on the past year and focusing on the year ahead. I make it a goal of mine to write down any personal, professional, or financial goals that I may have for the new year. Writing down my goals ensures that I stay accountable and make an effort to achieve them.

We want to remind you that we are here to help you with whatever your goals might be. If you are in the market for a new car or want to have a bit more cash in your pocket for a special project, we can help you! Take a look at our website to see the various products that we offer. If you see something that may interest you, please reach out to us!

Thank you for your membership at Wichita Falls FCU; we are very proud of the community that we have built. We look forward to serving you in the new year. Please do not hesitate to reach out to discuss how we can help you achieve your financial goals.

ONLINE LOVE ASKING FOR MONEY? IT'S A SCAM.

Don't let yourself be fooled by an online dating scam.

While plenty of successful relationships begin online, scammers also use online dating sites, apps, and chat rooms to trick you into sending them money. These imposters create fake profiles to build online relationships and eventually convince people to send money in the name of love. Some even make wedding plans before disappearing with the money. It's a big problem: reports to the FBI about online romance scams tripled between 2012 and 2016, and imposter scams were among the top reports to the Federal Trade Commission.

If an online love interest asks you for money:

- Slow down and talk to someone you trust. These scammers want to rush you, often professing love right away or pressuring you to move your conversation off the dating site
- Never wire money, put money on a gift card, or send cash to an online love interest. You won't get it back
- Report your experience to the dating site and to the FTC
