## A NOTE FROM OUR CEO

Wichita Falls Federal Credit Union is celebrating **"I LOVE my Credit Union!"** throughout the month of July, and I would like to share a few reasons why I LOVE my credit union:

**I LOVE** when we can help a member get a car when they really need one or a car repair, or the water heater replaced, or that family vacation, or...the list goes on.

**I LOVE** that WFFCU knows our members. We greet each other by name and a smile and learn about most members. You are not just a number here.

WFFCU is truly "people helping people," and I am proud that I am a part of an organization that believes that and does its best to work within these principles.

Do you LOVE your credit union also? I invite you to share your experiences with us. You may leave a review on Google or our Facebook page. Also, you may email [stacy@wichitafallsfcu.com](mailto:stacy@wichitafallsfcu.com) to share. I want to know your thoughts, good or bad, because we strive to provide excellent service, and if we falter, we need to know what we can work on for the future.

Thank you for your membership with WFFCU!

**Stacy Rogers, CEO/President**

## COMMON CREDIT SCORE TRUTHS AND MYTHS

Although credit scores may be confusing - it is important to know the truths and myths.

**Truths:** Payment history matters, credit utilization matters, negative information can stay on your report, and regular monitoring is important.

**Myths:** Checking your credit score won't lower it, closing old accounts can hurt your score, and credit repair companies can't instantly fix your credit.

Stay informed about your credit health, monitor your credit regularly, and be cautious of false promises from credit repair companies.
