## LETTER FROM THE CEO

### Wichita Falls Federal Credit Union is YOUR credit union!

The credit union's whole purpose is to provide you with the financial services you need. Yes, there are many other financial institutions out there. But is their goal to help you or to make money off you?

We are here for YOU.

If you are reading this, you are probably already a member of WFFCU and I would love to have your input. Every business, especially small ones, has growing pains and changes, and not every day is perfect, but that is what we learn and grow from. I am proud of our credit union for adapting to the times, maintaining a strong net worth, and continuing to be there for your financial needs. I would love to hear from you. What has WFFCU done to help you? What are we doing right? What do we need to address to get even better? I would love your opinion! Good, bad, or both. Shoot me an email at [stacy@wichitafallsfcu.com](mailto:stacy@wichitafallsfcu.com).

I appreciate your membership and support.

Stacy Rogers, CEO/President

## INTERNATIONAL CREDIT UNION DAY

This year marks the 74th anniversary. In honor of this special day, Wichita Falls Federal Credit Union invites its members to join the office for Popcorn and Prizes!
